Project S.H.I.N.E. FACT SHEET
Service-Learning
(Fall 2014)

BACKGROUND INFORMATION

In the mid-1990s, the United States tightened its immigration policies and implemented Federal Welfare Reform. This legislation increased the strain on immigrant communities throughout the country. As a direct result, Hawaii saw cutbacks in social services and welfare provisions for its non-U.S. citizens. The Chinese Community Action Coalition (CCAC), a non-profit grassroots organization, responded. In 1996, the CCAC developed the Honolulu Chinese Citizenship Tutorial Program (HCCTP) - to help immigrants pass the naturalization examination for U.S. citizenship. The HCCTP’s successes have involved student-tutors from UH-Manoa, Chaminade, KCC, HCC, HPU, and Michigan State. Inspired by the HCCTP, similar service-learning opportunities have evolved at other sites. Each local program needs student-tutors each semester.

You can get involved through S.H.I.N.E. – “Students Helping in the Naturalization of Elders.” This national service-learning initiative supports the Hawaii tutorials by engaging college students in English language tutoring and intensive review of the INS exam’s civics material.

THE GOALS OF THE PROGRAM

1. To tutor immigrants of Honolulu communities - to help them learn English and pass their citizenship exams . . . thus maintaining their quality-of-life.
2. To promote inter-ethnic agency, community, and university collaboration.
3. To raise the consciousness of college students concerning government policies toward immigrants and the “immigrant experience”.
4. To promote and facilitate the empowerment of immigrants in Hawaii.

COURSE REQUIREMENTS ASSOCIATED WITH S.H.I.N.E.*

1. Attend all training/workshop sessions. See your campus coordinator if you have any time conflicts.
2. Complete the program’s paperwork and your school’s Service-Learning registration (registration, waiver and contract).
3. Secure a regular shift appointment & site. Commit to that shift by tutoring for two hours each week, for the duration of the 10-week program.
4. Keep journals of training and tutoring sessions - Include summary of events, thoughts/reflections about what happened, and links to course material. Meet with instructor to discuss the S.H.I.N.E. service-learning experience.
5. Complete program evaluation.

* Requirements for courses are ultimately defined by their respective instructors.

TUTORING SESSIONS

I. SHIFTS

Tutors are expected to focus on two areas: understanding and passing the citizenship test, and conversational English.

Each tutor is required to complete a minimum of 20 tutorial hours and 5 training/reflection hours by the end of the program’s 10-week period. After completing SHINE’s Orientation, you will choose one tutorial shift that you will commit to for the duration of the program (September 16 – November 23, 2014). Tutorial shifts are listed in the table below.

II. MAKE-UPS

Any time missed (absences, tardies, holidays, etc.), must be made up. Make-up work is scheduled by making arrangements with a tutor coordinator to attend another shift.

Each shift is 2 hours long, and punctuality is important. Prior to the beginning of their shift, tutors must inform their shift coordinator if they will be absent/late. Tutors are expected to focus on two areas: understanding and passing the INS exam, and conversational English.

TRAINING SESSIONS

These sessions are mandatory. The first is an orientation, registration, and shift scheduling session. Second, on-site training features immigration and naturalization information, exercises on aging and cultural sensitivity, web tools, and tips for developing yourself as a tutor. Lastly, our mid-semester Reflection Workshop provides a forum for any problems and observations that may have arisen during the first few weeks of tutoring and allows students to “own” the program by developing it together. It also provides help for writing reflection papers & focuses on sharing and learning from our learners.

Training dates, times, and locations are listed in this table. Please note the things you should bring along with you.
